Chickens,

bats and

beef cattle

WINE, chickens and cricket bat willow plantations are among tax-effective investment schemes on offer.

Shane Kelly, managing director of Adviser Edge, says more than 30 companies were assessed to produce the research house's top 10 agribusiness investment list: Gunns Plantation Woodlot Project 2004; Willmott Forests Project 2004; RFM Chicken Income Fund; ITC Pulpwood Project 2004; RFM Ultra-premium Vineyard Fund; 2004 Timbercorp Almond Project; Macquarie Forestry Investment 2004; 2004 Timbercorp Eucalyptus Project; Environinvest Beef Cattle Project 2004; Margaret River Watershed Premium Wines.
